

Diamond Drill Mechanics (4)

Cabo Drilling Corp.

www.cabo.ca

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies, is searching for a diamond drill mechanic in:

1. Alaska
2. Albania
3. British Columbia, Canada
4. Panama

Reporting to supervision at these locations, the Diamond Drill Mechanic will work with shop and field operations in troubleshooting, repairing and maintaining surface and underground diamond drills. Familiarity with Atlas Copco Exploration Drills such as Christensen and JKS Boyles will be considered an asset. These positions require frequent travel and regular rotations into drill projects.

Cabo Drilling offers a competitive base wage and bonuses. Canadian based employees are eligible to participate in group benefits and a group RRSP.

Please forward resumé in confidence to: jamesg@cabo.ca

*Thank you to all those who send in their resumé.
Only those selected for an interview will be contacted.*
