

Experienced Diamond Drillers – Central and South America

Cabo Drilling Corp. - Panama

Web: www.cabo.ca

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies, is searching for seasoned Surface Diamond Drillers for assignments in Central and South America.

Your ability to work in various terrains, and through various ground conditions, is complemented by your proven adaptability and ability to work as a team player. Experience working with man-portable drills such as the Hydracore 2000, and the ability to speak Spanish, are also considered to be assets.

These positions offer a competitive base wage and production bonuses. Canadian based employees are eligible to participate in group benefits and a group RRSP.
