

## **Experienced Diamond Drillers – Alaska, B.C., and Yukon**

### **Cabo Drilling Corp.**

**Web: [www.cabo.ca](http://www.cabo.ca)**

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies, is searching for seasoned Surface Diamond Drillers for projects in Alaska, British Columbia and the Yukon. Your ability to drill in various terrains, and through various ground conditions, is complemented by your proven adaptability and ability to work as a team player.

Drillers on Alaskan projects must be legally employable in the United States and require current MSHA certification.

These positions offer a competitive base wage and production bonuses. Canadian based employees are eligible to participate in group benefits and a group RRSP.
