

Directional Drilling and Survey Technician

Cabo Drilling Corp.

Website: www.cabo.ca

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies with operations internationally, is looking for Directional Drilling and Survey Technicians for international assignments.

Your demonstrated ability with diamond drill borehole surveying systems, directional drilling and steering systems, is complemented by your ability to work as a member of a dedicated team servicing clients on international assignments. Applicants must be prepared to work away from home on rotations.

This position offers a competitive salary and benefits, along with the opportunity to be involved with a growing company with operations internationally.

Please forward resumé in confidence to: jamesg@cabo.ca

*Thank you to all those who send in their resumé.
Only those selected for an interview will be contacted.*
