

## **Heavy Equipment/Drill Mechanic**

**Kirkland Lake, Ontario**

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies, is searching for a Heavy Equipment/Drill Mechanic for its Kirkland Lake, Ontario location.

Reporting to the Shop Supervisors at this location, the Heavy Equipment/Drill Mechanic will work with shop, operations and field personnel in the repair and maintenance of drill and mobile equipment both in the Kirkland Lake Maintenance Shop and at field operations. Your ability to diagnosis, troubleshoot and repair hydraulic and diesel equipment, is complemented by several years of experience in a heavy equipment environment. Familiarity with Exploration Diamond Drills such as Atlas Copco, Christensen and JKS Boyles will be considered an asset. Frequent travel required.

This position offers a base rate, bonuses, progressive vacation policy, benefits, RRSP, and the opportunity to be involved with a company with operations across Canada and internationally.

Please forward resume in confidence to: [jamesg@cabo.ca](mailto:jamesg@cabo.ca)

*Thank you to all those who send in their resumes.  
Only those selected for an interview will be contacted.*
