

Drill Mechanic

Cabo Drilling Corp.

Surrey, B.C.

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies, is searching for a Full-time Mechanic for its Surrey, B.C. location.

Reporting to the Shop Supervisor at this location, the Drill Mechanic will work with shop and field operations in troubleshooting, repairing and maintaining diamond drill and heavy mobile equipment.

Your ability to diagnosis, troubleshoot and repair hydraulic and diesel equipment, is complemented by several years of experience in a heavy equipment environment. Familiarity with Atlas Copco Exploration Drills such as Christensen and JKS Boyles will be considered an asset. This position also requires regular travel to projects.

This position will offer a competitive base salary, bonus, group RRSP, and the opportunity to be involved with a growing company with operations across Canada and internationally.

Please forward resumé in confidence to: gregg@cabo.ca

*Thank you to all those who send in their resumé.
Only those selected for an interview will be contacted.*
