

Supervisor and Trainer – Northern Ontario

Cabo Drilling Corp.

Website: www.cabo.ca

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies, is searching for a Supervisor and Trainer for a large project in Northern Ontario.

The Supervisor and Trainer will provide project supervision for a large multi-drill diamond drill project for part of their rotation, while working closely with on-site operations in the delivery of common core and skills training for the remaining of their rotation. Other duties include ordering drill supplies, on-site inventory control, indoctrinating new employees, safety audits, program development, and the maintenance of training records.

Your experience supervising large multi-diamond drill projects is complemented by your background as a certified common core trainer in the mineral drilling industry. This position requires regular travel on 28:14 day rotation into a large mining camp.

Please forward resume in confidence to: jamesg@cabo.ca

*Thank you to all those who send in their resumés.
Only those selected for an interview will be contacted.*
