

Warehouse Supervisor

Kirkland Lake, Ontario

Cabo Drilling Corp., one of Canada's larger mineral drilling services companies is searching for a Warehouse Supervisor for its Kirkland Lake, Ontario location. This position works closely with management, field and shop operations in the management of all warehouse and yard activities.

The incumbent will be required to manage the division's inventory, shipping, receiving, and yard functions, including the Company's computerized inventory tracking system. Your demonstrated ability to manage warehouse activities is complemented by a background in the mineral drilling or mining sector.

This position offers a base wage, benefits, progressive vacation policy, Group RRSP, monthly bonus, and the opportunity to be involved with a growing company with operations across Canada and internationally.
